

Unified Vailsburg Services Organization

Executive Director

Organization:

Unified Vailsburg Services Organization is a 501(c)(3) Human Services and Community Development Corporation with the mission of creating a stable and compassionate community. UVSO was founded in 1972 by a neighborhood coalition of clergy, civic leaders and concerned Vailsburg residents to manage change and address service shortages in the community.

To achieve this mission, UVSO provides a comprehensive program of services for children, teens, families, and senior citizens as well as encourage neighborhood improvement through community outreach and housing development.

Position:

UVSO is seeking an Executive Director to join a dedicated & experienced team. The ideal candidate should demonstrate a successful history of management in a multi-service community development organization or similar context. As a passionate & inspirational leader, s/he will build effective teams & align the organization around a strong vision for growth. A strong candidate will have a proven history of fundraising, maintaining existing funder relationships & developing sources of new government, foundation & individual funding. S/he will be skilled in personnel management & development, building trusting relationships across multiple sites & program areas. Salary is commensurate with experience.

Key Responsibilities: leadership, fundraising & development, financial management, program management, community engagement, HR

Critical Qualifications:

Industry experience in a multi-service community development org, managing programs across multiple sites & services.

Non-profit management: with at least 5 yrs of senior-level organizational leadership

Revenue, Fundraising & Development: record of successful fundraising growth with history of building strong donor ties.

Business Management: showing strong financial acumen and budget management

How to apply:
