

Accounting Specialist

About us:

Advanced Accelerator Applications (www.adacap.com) is a European Pharmaceutical Group founded in 2002 as a spin-off of the European Organization for Nuclear Research (CERN), to develop innovative diagnostic and therapeutic products in the field of Molecular Nuclear Medicine (MNM). AAA focuses on molecular imaging and individualized therapy (personalized medicine) for patients with serious conditions. AAA is a European leader in the production and commercialization of PET (Positron Emission Tomography) radiopharmaceuticals and is leading the innovation in MNM Therapy. The company has a strong pipeline and has experienced strong double-digit growth in sales for the last few years of commercial operations. AAA is headquartered in St Genis Pouilly, France and currently has 16 production and R&D facilities and over 350 employees in 11 countries. The company is currently expanding its operations in USA with the building of a manufacturing facility in US for its therapeutic drug and the preparation of the commercial launch of its new products.

Due to its continuous growth, Advanced Accelerator Applications is looking for an experienced Accounting Specialist, based in Millburn, New Jersey.
